SUBJECT: EXTENDED SCHOOL YEAR SERVICES AND/OR PROGRAMS

The District will provide, directly or by contract, special services, or programs during July and August (i.e., extended school year) to those students who require a structured learning environment for 12 months in order to prevent substantial regression as determined by the Committee on Special Education (CSE) or Committee on Preschool Special Education (CPSE).

Substantial regression would be indicated by a student's inability to maintain developmental levels due to a loss of skill, set of skill competencies, or knowledge during the months of July and August. Students, including preschool students, must be considered for 12-month special services and/or programs to prevent substantial regression in accordance with Commissioner's regulations.

For students eligible for 12-month services and/or programs, the student's Individualized Education Program (IEP) will indicate the identity of the service provider during July and August, and, for preschool students determined by the CPSE to require a 12-month structured learning environment to prevent substantial regression. The IEP will also include a statement of the reasons for that recommendation, the projected date of the review of the student's need for these services, and the recommended placement.

Any District plan to operate a July/August program must be approved by the State Education Department in accordance with applicable laws, regulations, procedures, and/or guidelines.
